

Integrating the Monorail

STATION AREA ASSESSMENTS

What should the scale and character of the Junction be?

Are there places to make through routes to California?

What actions can be taken through station area planning to strengthen the Junction's role in terms of character and retail vitality?

How can the east portion of the station area, especially along Alaska, be made more pedestrian friendly? What is the desired type and density of new uses?

Are there any opportunities for new open space or gathering space? Where? What should the character be?

How can Jefferson Square and the monorail station be connected as an integral part of the Junction?
